You tell on yourself,
By the clothes you wear, uh huh,
By the way you fix your hair,
I can know what youre thinking,
Without you saying a word,
Its all in the way you walk.

Yeah, yeah, yeah, you tell on yourself,
By the way you dress,
You dont want me to judge you,
But these walls are caving in,
You cant stop yourself from falling,
And youve got to give in.

You tell on yourself,
By the people you chill with,
By the tone of voice you use,
You cant cry out,
You know that you cant hide from it,
You dont even have to say a word.

Yeah, yeah, yeah, you tell on yourself,
By the way you dress,
You dont want me to judge you,
But these walls are caving in,
You cant stop yourself from falling,
And youve got to give in.

You tell on yourself,
By the people you love,
You tell on yourself,
By the things that you do,
And they way people want you.

Yeah, yeah, yeah, you tell on yourself,
By the way you dress,
You dont want me to judge you,
But these walls are caving in,
You cant stop yourself from falling,
And youve got to give in.
