Bring the beat in!

Honey, honey, I can see the stars all the way from here
Can't you see the glow, on the window pane
I can feel the sun whenever you're near
Everytime you touch me, I just melt away

Now everybody asks me
Why I'm smiling out from ear to ear
(They say love hurts)
But I know
(It's gonna take the real work) Woohoo
Nothing's perfect
But it's worth it after fighting through my fears
And finally you put me first

Baby it's you
You're the one I love
You're the one I need
You're the only one I see
Come on, baby, it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Ooh, come on, baby
You put my love on top, top, top, top, top
You put my love on top
Ooh, ooh, come on baby
You put my love on top, top, top, top, top
My love on top, my love on top

Come on, baby, I can feel the wind whipping past my
face
As we dance the night away
Boy your lips taste like a night of champagne
As I kiss you again, and again, and again and again

Now everybody asks me
Why I'm smiling out from ear to ear

(They say love hurts)
But I know
(It's gonna take the real work) Woohoo
Nothing's perfect
But it's worth it after fighting through my fears
And finally you put me first

Baby it's you
You're the one I love
You're the one I need
You're the only one I see
Come on, baby, it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Ooh, baby
You put my love on top, top, top, top, top
You put my love on top
Ooh, ooh, come on baby
You put my love on top, top, top, top, top
My love on top, my love on top

Baby it's you
You're the one I love
You're the one I need
You're the only one I see
Come on, baby, it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Baby, you're the one I love
You're the one I need
You're the only one I see
Come on, baby, it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Baby, 'cause you're the one I love
You're the one I need
You're the only one I see
Come on, baby, it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Baby, 'cause you're the one I love
You're the one I need
You're the only one I see
Baby, baby, it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top
