Find me  
Want to want  
Never  
What you see  
Calling, calling  
The depth becomes  
Grab ahold of my face  
So numb

Soar far fly away  
I'm breaking through to you  
Soar far fly away  
I'm breaking through to you

Touch you  
Feel the cold  
Friendships  
Grow so old  
Difference, difference  
Never to know  
Clearing my mind  
As I go

Soar far fly away  
I'm breaking through to you

Soar far fly away  
I'm breaking through to you

To you  
Breaking through  
Breaking through  
Breaking through  
To you  
To you

Breaking through to you  
Breaking through  
Breaking through

You take away my mind  
I'll take away your pride

Soar far fly away  
I'm breaking through to you  
Soar far fly away  
I'm breaking through to you

I'm breaking through to you
