To you
I'm all I've left undone
I'm all I havent won
Lift me up, my soul, so hollow
Lift me up

You take
The breath you didn't make
What's left you did forsake
Lift me up, my soul, so hollow
Lift me up, my soul, so hollow

You can make me scream internally
You can make me breathe eternally, yeah

You see
The things I cannot change
The things that make me plain
Lift me up, my soul, so hollow
Lift me up

We've made
All from the sum of none
All that we have become
Lift me up, my soul, so hollow
Lift me up, my soul, so hollow

You can make me scream internally
You can make me breathe eternally
You can make me scream internally (make me scream internally)
You can make me breathe eternally (you can make me breathe, me breathe..), yeah
Me breathe

You feel what's in me
You feel what's in me the most
You feel what's in me
So my soul's not left so hollow

You can make me scream

You can make me breathe

You can make me scream internally (make me scream internally)

You can make me breathe eternally (you can make me breathe, me breathe)

You can make me scream

You can make me breathe

You can make me scream

You can make me breathe, me breathe
