Floating vessel
Searching through time
Nothing left here
So far behind

Sacred pleasures
Spend in my mind
Broken vessel
Wish, you were mine
Wish, I could find help

Well, I'll give to you
You give to me
The debt will fall
For all in need

A simple way
For all to change
Realize our lives
Are one and the same

Broken whispers
Into divine
Open promise
Sinks in the time

Loathing hunger
Blistering unkind
Different feelings
Youth undermines
Oh, wish, I could find help

Well, I'll gave to you
You gave to me
The debt should fall
For all in need

A simple way
For all to change
Realize our lives
Are all the same

Well, I'll give to you
You gave to me
The debt should fall
For all in need

A simple way
For all to change
Realize our lives are one
Our lives are one and the same
