Take a step outside  
The boundaries we live in  
Get to know yourself  
The real you, the real me  
Join the hands of faith  
That hold you, that know you  
Let the love go free  
It's in us, it's in me

Love lives in me  
Love's free to be  
Pain grows to burn  
Lessons concerned  
Unconcerned

Open the eyes of all  
Who see you, who see me  
Never lose sight of all  
You stand for, you live for  
Let go over the pain

That holds you, that binds you  
Break free of it all  
Around you, around me

Love lives in me  
Love's free to be  
Pain grows to burn  
Lessons concerned

Dreams in you  
Flow in me  
When you come again  
The time  
Stands still  
Inside  
You feel me, yeah  
Yeah

Love lives in me  
Love's free to be  
Pain grows to burn

Lessons concerned  
Unconcerned

Yeah  
Yeah  
Yeah  
Yeah
