To know you,
Is to know the love of an angel,
Sent from above,
To save me,
From all of the heartache I've known
To hold you,
Is to hold in my arms the forgiveness,
Of a compassionate heart,
To be beating, pieces and struggles a lie

We all make mistakes
In our lives that's the way,
It is to hold onto what is right
We all get the chance in our lives,
To make right
If I've hurt you,
I am sorry,
Forgive me,
Forgive me

To show you,
This hole in my heart
Is to show you what you feel from the start
With your love you, broke the chains that bound me
With the strings of the heavens that brought us
together,
Theres no doubt that this will last forever,

Until the end of time

We all make mistakes
In our lives that's the way,
It is to hold onto what is right
We all get the chance in our lives,
To make right
If I've hurt you,
I am sorry,
Forgive me

I hear a voice on the winds of a whisper
It speaks to me,
To tell me that I'm alone,

It says,
Please, never be seen through silence
Come one day,
Can you find your way
To see

We all make mistakes
In our lives that's the way,
It is to hold onto what is right
We all get the chance in our lives,
To make right
If I've hurt you,
I am sorry,
Forgive me
Forgive me
Forgive me
Forgive me
Forgive me
