See me coming down the road  
Down the road  
I'm coming down 4 u  
Standing by the end of the line  
What u gonna do  
Intuition can't u see  
Mistreator got the shake on me  
Fire and water rollin' dice  
I'm gonna get u  
No matter the price  
Chorus  
I'm a hard man fight  
I'm an easy man 2 please  
Baby don't u mess with me  
Cause u couldn't take the heat  
I wanna be your man  
I wanna be your lover baby  
I wanna be your man  
No complication let me explain  
I'll take u higher than an airplane  
Look in the mirror  
What do I see  
I see the devil  
And he's looking at me  
Chorus
