"Each To Each"

Cold outside long after dark
You?ll find a stone in your heart
For time let?s stand together
We?ll fall or we?ll rise
You and I in secret style
Awaiting all for thee

You bet your life
Come down slow and easy
You?ll find a way
You?ll find a way
Deny, the world follow you
I know you?ll rise
I know you?ll rise
And keep it down
And it won?t go away
You secret style it won?t go away

It?s right inside of me
It?s right inside of me
Come ?round; let?s stand together
We?ll rise alone for ever
Team of life a secret style
Waiting up for me
Come down slow and easy
You?ll find a way; we?ll find a way
Deny, the world will follow you I know
We?ll ride I know you?ll rise
I know you?ll come alive
I know you?ll come alive
I know (repeated)
