So I had to come and see

Girl he wasn't tryin' to hate

But she had to demonstrate

That she was the queen to be

But she couldn't fight the chemistry

and I say...

I I I

I can't lose you, no

I I I

Nooooo

She was disco lights on a Friday night

She moves across the floor

Suga!

She was o so tight like dynamite

Blowin' me up with her love

She was on the phone with me

All night long

I just can't get enough

She was ah ah oh, ah ah oh

Blowin' me up with her love

Uh uh uh uh uh uh uh uh uh....

Girl its just the sexy way

You back yourself into me

You're more then just a pretty face

You're better then a fantasy

Come on baby

Don't ignore me

I know what you're feeling for me

You can't fight it

Cause you want me

Don't you miss this or you'll be sorry

So tell me what it's gonna take

You've got me all bent out of shape

Thinking bout you all day

And how you gonna make me wait

and I say..

I I I

I can't lose you

I I I

Whoaaaa

She was disco lights on a Friday night

She moves across the floor

She moves across the floor

She was o so tight like dynamite

Blowin' me up with her love

She was on the phone with me

All night long

I just can't get enough

She was ah ah oh, ah ah oh

Blowin' me up with her love

She was disco lights on a Friday night

She moves across the floor

She moves across the floor

She was o so tight like dynamite

Blowin' me up with her love

She was on the phone with me

All night long

I just can't get enough

She was ah ah oh, ah ah oh

Blowin' me up with her love

Ahhhh... there's just something about you baby..

it's taking me over... I want you to know

Now it's on tonight

She took all control

Turned off all the lights

She said don't.. you.. want.. to..

Na na na, na na na

Hey!

Na na na na na

Yeh yeh yeh

Na na na na na na

Oh oh oh

Tell a story

She was leaning on me

Getting horny

Maybe we'll get naughty

Tell a story

She was leaning on me

Getting horny

Maybe we'll get naughty

She was on the phone with me

All night long

And I just can't get enough

She was ah ah oh, ah ah oh

Blowin' me up with her love

She was disco lights on a Friday night

She moves across the floor

She moves across the floor

She was o so tight like dynamite

Blowin' me up with her love

She was on the phone with me

All night long

And I just can't get enough

She was ah ah oh, ah ah oh

Blowin' me up with her love

Na na na, na na na, na na na na

She moves across the floor

Na na na na na na na na na na no

O! she may! o! I can't get enough

She was disco lights on a Friday night

She moves across the floor

Ahhhh!!

She was o so tight like dynamite

Blowin' me up with her love

She was on the phone with me

All night long

And I just can't get enough

She was ah ah oh, ah ah oh

Blowin' me up with her love

Ooo ooooo
