I never expected to fall in love

But I

Never expected to meet you

When I first saw your face

I didn't know what to do

O I didnt know what to do

What did you think of me

Did you think I was a fag?

Did you think I was a drag?

Did you think I was a moron?

Did you think I'd do

Whatever you told me to

I wonder if you knew

How bad I wanted you

Do you know what I'm thinking

I'm thinking about what your drinking

Thinking about what your thinking

Thinking about you

And I dont know what to do
