isturbing the peace

Okay

We don't die we multiply: There's a strength in  
numbers baby, so I brought some of my family  
members here today to talk to y'all about celebrity  
chicks

So Ching-a-ling, why don't you go ahead and start this  
thing off for us what up?

From the moment she wake up

So hollywood puttin on her makeup

Can't save her, but it's always a fool to keep her caked  
up (Okay)

You ask the chick out, it's like the same where you don't  
take her

and see the to Vegas so Cali to see the Lakers

She brought that paper, getting over on Cat's major

This at the Billboard's I seen for real name in the page  
her

Say what most of these balls they can't fade her

She stay fly, Dolce Gabbanna and Marc Jacobs.

You can catch a Melrose on her shopping spree

Don't have to ask for what, she gets what she needs

She don't mess with broke cats, so please have some  
cheese

Oops my fault she only mess with celebrities

Celebrity chick, be at the awards in the zone

Celebrity chick, all about them diamonds customs

Celebrity chick, they have to keep them small world  
steps on

Celebrity chicks, Celebrity chicks

Celebrity chick, be at the awards in the zone

Celebrity chick, all about them diamonds customs

Celebrity chick, they have to keep them small world  
steps on

Celebrity chicks, Celebrity chicks

Celebrity Chick, She got a loan and can't pay the rest

So she got another brother writing a check (Okay)  
I'm talking if she want it bad enough, she will get it  
glad enough  
She can run it, run it at the same time standing in place  
And got a long list of giving me and who will be buying  
tables man, I'm out of here  
but it's to late now, she can see I'm paid now that I can  
make it rain now  
say now I think I lost a girl

You can catch a Melsrose on her shopping spree  
Don't have to ask for what, she gets what she needs.  
She don't mess with broke cats, so please have some  
cheese  
Oops my fault she only mess with celebrities

Celebrity chick,

be at the awards in the zone  
Celebrity chick,  
all about them diamonds customs  
Celebrity chick,  
they have to keep them small world steps on  
Celebrity chicks, Celebrity chicks

Celebrity chick I see some celebrity chicks everywhere  
that i be,  
everywhere that i've been.  
The selection or celebrity chicks to see(Okay)  
I see Meeg and i see Mia,  
I be wantin to meet 'em.  
I can see them in the sheets when i imagine me  
between 'em.  
I'm straight up off the streets the MC, and i've been  
waiting to see Heaf so i could shread it to him rough  
ride and i leave it to the back seat of the Beamer.  
And hear that s\*\*t heatin, to give lil' mama the reason  
to send papa to a region.  
As hot as a pot steamin', i wanna be the secret that me  
and Trina  
keepin.  
I'm hood enough for the girl i keep, and every toe i  
Keishia.  
Good lord Jesus, she can go and pet the jeezer, i just  
want it for the weekend.  
I got the power to be bout it, im not a weakling.  
I'm trying to fly out to see Jessica Alba in bikini's.  
Big Smallworld, Ludacris, Steph Ginga.  
Holla at us when you see us, you want us how i need us.

You can catch a Melsrose on her shopping spree

Don't have to ask for what, she gets what she needs.  
She don't mess with broke cats, so please have some  
cheese  
Oops my fault she only mess with celebrities

Celebrity chick,  
be at the awards in the zone  
Celebrity chick,  
all about them diamonds customs  
Celebrity chick,  
they have Chingy and Smallworld and Steph Jones  
Celebrity chicks, Celebrity chicks

We don't die we multiply, Strength in Numbers baby we  
just gettin started.  
Luda, Chingy, Steph Jones, Smallworld.  
All new celebrity chicks, anybody with money can relate  
baby.  
ha ha ha ha, watch your pockets fellas.  
WHHOOOOAA !!
