Booty shaking on my lap
Sippin' champagne
Chasin' Hennessey

Baby, you can have it all
Spending cash like it's going out style
Strike a pose with that platinum smile
Rump Shaker
Heartbreaker
Don't be a faker come on be my baby maker
Moneymaker

Flossed out in America
Bling, bling
Is the sound of the money train?
Gold diggers all aboard
Common fellas, lets score
You know you want this life uh huh
Baby you can have it all
Turn heads when I roll up in the club
Your sessy mamas like what the %#\$!!!!
All you chicken heads
Better understand
Flossed out, always thuggin'
I'm a gangsta
All you ginas
Bring it in, bring it in, bring it in
I live my life, i love my life
It's
