It's not so easy to be this cheesy
When I'm getting down I'm super sleazy
Ladies come and ladies go
My game is tight but you don't hear me no

You better watch out
You might get what you expect
You better watch out

It's just a powerful game
You cannot see my face when I'm walking away
You think I'm powerful, yeah, I'm irresistible
But you aught to know that you're my girl

Look at your eyes they're gold
And I know you want to be my beautiful centerfold
I can see that you are so influenced by me
You wanna stand beside me and put your kisses on me

You better watch out
'Cause it's more powerful than I'm letting on, let's get it
on now
Just put your hands in my pants and let's go to town

It's just a powerful game
You cannot see my face when I'm walking away
You think I'm powerful, oh, I'm irresistible
But you aught to know that you're my girl

Sara likes to go for coffee, I never pay when we go
shopping
If you can't see that you want me
There must be something wrong with your personality
You're everything that I adore and all the little girls love
me
All the little girls love me

It's just a powerful game
You can't see my face as I'm walking away
You think I'm powerful, oh, I'm irresistible
But you aught to know

I say hey you wanted to know
Hey Juliette why don't you see I am the Romeo
You think I'm powerful, oh, I'm irresistible
But you aught to know that you're my girl
