Looking back, summer's just a bore without your love to have

Every man can show a boy a heart attack

Until he feels that one peculiar fact

That we're just drifting along, all these lonely nights

I finally found ya, girl I've got to have ya

(Summer crush) Hits me fast and I'm falling harder

(Summer Crush) It's the feeling of butterflies

(Summer Crush) Hits me fast and I'm falling harder

(Summer Crush) It's the feeling of butterflies

Now that time is our own on this lovers' roller coaster

Walking by on my own, will I have to wait

Longer, darling, to give it to one another

And tear each other apart

Now you're beating down my door

My ears are aching baby to hear you breathing

Love me freely

[Chorus]

Yeah, it's the feeling of butterflies

It's the feeling of butterflies

[Chorus]
