There's something here that doesn't last too long

Maybe I shouldn't think of you as mine

Seeing you

Or seeing anything as much as I do you

I take for granted that you're always there

I take for granted that you just don't care

Sometimes I can't help seeing all the way through

It's important to me that you know you are free

'Cause I never want to make you change for me

Think of me

You know that I'd be with you if I could

I'll come around to see you once in a while

Or if I ever need a reason to smile

And spend the night if you think I should
