IãfÂ!Ã...Â Ã,Â! the shadow while you shine
sculptured features divine
IãfÂ!Ã...Â Ã,Â! the sadness behind your fortune and
fame
youãfÂ!Ã...Â Ã,Â! take the credit IãfÂ!Ã...Â Ã,Â! take
the blame

IãfÂ!Ã...Â Ã,Â! a silhouette of your charm
the broken line on your palm
IãfÂ!Ã...Â Ã,Â! a hidden flaw in the true excellence
IãfÂ!Ã...Â Ã,Â! sacrifice for your innocence

Shadows and silhouettes
the demons inside your head
uncover your secrets and regrets
Shadows and silhouettes

IãfÂ!Ã...Â Ã,Â! reflecting all your grace
the glamour and perfect taste
IãfÂ!Ã...Â Ã,Â! a cheap fake of your pure elegance
the opposite of your radiance

Shadows and silhouettes
the demons inside your head
Shadows and silhouettes
the demons inside your head
IãfÂ!Ã...Â Ã,Â! hiding inside
IãfÂ!Ã...Â Ã,Â! hiding inside your head
