Face to face!
Baby girl, it's getting serious with you and me
I'll show you everything you wanna see
In this crazy ...your fantasy
This chemistry it's to express thoughts for technology
Who's little message is a special need...
To say exactly what you do to me, oh, oh!

Love, what you do?
It's all about one
Love it's good too!
That you're the one
The one for me!
Yeah, yeah

Chorus:
..let's disconnect
And the taste for summer sex
Up the pace, cut to the chase
Let's do it face to face!
It's all tonight, flesh to flesh
Chest to chest, baby you're the best!
Up to... any time, any place
Let's do it face to face!

In this secret world
We all can...
And I can't wait no more, I have to know
What it feels like to hold you close
Yeah! Is all I want
Is all I need!
Uhuu! It's the true
That you're that you're the one
The one for me!
..let's disconnect

Chorus:
..let's disconnect
And the taste for summer sex
Up the pace, cut to the chase
Let's do it face to face!

It's all tonight, flesh to flesh
Chest to chest, baby you're the best!
Up to... any time, any place
Let's do it face to face!

Oh in love with you is all I want
Is all I need yeah!
Is good, too..

Chorus:
..let's disconnect
And the taste for summer sex
Up the pace, cut to the chase
Let's do it face to face!
It's all tonight, flesh to flesh
Chest to chest, baby you're the best!
Up to... any time, any place
Let's do it face to face!
