A if the circle got a problem then holla at me your  
rymes stink

like you aint been in the shower for weeks

lil trav you a bitch so dont try to compete

tie you to the back seat and put them thang to your  
cheeks

and osama say his lyrics is hot but you aint burt shit but  
them

rat bitches walkin the block spawn john might get hit  
with the

glock for getting on a track and rappin about shit he  
know he

aint got javell is a snitch he ride wit the cops when i  
catch him

im gone put his face to the bricks beat that ass till his  
face look

nasty like a flick sola drink that voda straight but if you  
rewind the

tape and listen again he lied to your face you lil weak  
stomach

basterd we comin blastin wit automatics tear gas and  
gas masks

soft circle dont wont it with hoodlife kill all of you  
bitches but at

least you had a good life bitch
