At 1am she's just waiting like a shadow
Black eyes, black hair, but she don't care
That I want her, that I need her, oh yeah, I need her
I need her heart 'cause mine is broken
I need her heart 'cause mine is broken

At 1am he's just walking like a demon
Blue eyes, black hair, but he don't care
That I want him, that I need him, oh yeah, I need him
I need his heart 'cause mine is broken

I need her heart 'cause mine is broken, broken
At 1am, at 1am, at 1am, at 1am, at 1am, at 1am
I got this feeling, got this feeling, got this feeling, I got
this feeling
Got this feeling, got this feeling, got this feeling
I got this feeling, yeah, at 1am
