I wanna dance with you, that's what I wanna do
I wanna dance with you
Go on and take my hand, I'll make you understand
I wanna dance with you
It's kinda crazy girl but you're the exception
It's always difficult to make a connection
If we could find a way to get together
I think we killed but we own the summer
I saw you studying in a blue haze of brightness
There's something happening, it's a new kind
of frightening
You took me by surprise, I just can't believe it
I'm stuck and never ever seen it
I can't believe it
I wanna dance with you, that's what I wanna do
I wanna dance with you
Go on and take my hand, I'll make you understand
I wanna dance with you
You're open mind, you know you're full of
surprises
Well I'm a dreamer but I locked dreams like this
The little talking is you leave me rejected
I'm getting used to when it's not unexpected
Why dreams are like this?
I wanna dance with you, that's what I wanna do
I wanna dance with you
Go on and take my hand, I'll make you understand
I wanna dance with you
Can you see me, let me know
Hold me down, you're out of control
You're out of control
You're out of control
You're out of control
I wanna dance with you, that's what I wanna do
I wanna dance with you
I wanna dance with you, that's what I wanna do
I wanna dance with you
I wanna dance with you, that's what I wanna do
I wanna dance with you
Go on and take my hand, I'll make you understand
I wanna dance with you
You're out of control

Youâ€™re out of control
Youâ€™re out of control
Youâ€™re out of control
Youâ€™re out of control
