Climb, into the recess of your heart
And you find me waiting there
And if you just ask me to go, I won't
Days, so full of laughter and the vane
So full of joy, 'cause you were there
And if you just ask me to go, I won't
Tell me, tell me
I ain't gonna change your mind
Tell me, tell me
I ain't gonna leave my side tonight
Time, I know I wasted all your time
But I would never do you wrong
And if you're asking me to go, I won't
Years, that we could stretch for evermore
And I was singing your favorite songs
I know exactly how they go, oh no
Tell me, tell me
I ain't gonna change your mind
Tell me, tell me
I ain't gonna leave my side
I can't breathe no if you leave, don't say goodbye
Tell me, tell me, I ain't gonna leave my side tonight
You don't care for me at all
'Cause I'm waiting for your call
I'm not really worth your time
Well, that's what you said
Tell me, tell me
I ain't gonna change your mind
Tell me, tell me
I ain't gonna leave my side
I can't breathe no if you leave
Don't say goodbye.
Tell me, tell me
I ain't gonna leave my side tonight
