Bruise my heart
With all those things you say
You tell me how you think
I'm nothing

Giving me these scares
Tearing up my face
Baby, you got to show me some lovin'
You gotta tell me this!

Why you kill me, kill me,
Understeer me, baby
No one loves you quite like I love You
Why you tease me, tease me,
Understeer me, baby
No one loves you quite like I love You

I just can't get enough
Though you hurt me still
So won't you teach me how to be stronger?

I don't wanna change
You're the only pill
Baby, I just can't take this much longer
You gotta tell me this!

Why you kill me, kill me,
Understeer me, baby
No one loves you quite like I love You
Why you tease me, tease me,
Understeer me, baby
No one loves you quite like I love You

Stop tearing up my heart

Why you kill me, kill me,
Understeer me, baby
No one loves you quite like I love You
Why you tease me, tease me,
Understeer me, baby
No one loves you quite like I love You
