Do you have a heart?
To start
(Is she yours)
(Is she yours)
Do you have faith?
(Mistake)
Apple sour in your face
Never gonna wanna leave
Or go
(Do your trick)
(Wonderful)
Do you have faith?
In tape
Wrap it round your stupid face

Do you wanna die?
(She cried)
As she looked me in the eye
Do you have faith
(Relate)
State your claim and make your case
Never gonna wanna leave
Or go
(Do your trick)
(Wonderful)
Do you have faith?
In play
If you find a useful way

A useful way
A useful way
A useful way
Burn you broken heart
Burn you broken heart
Burn you broken heart

Do you bleed
Misery?
Do you feel
What do you see?
Do you have faith?
Debate

This is the club where you can hate
Never gonna wanna leave
Or go
Do your trick
Wonderful
Do you have faith
You fake?
Love and death's the only way

Today
I'm a shotgun
It's too late
For a reason
Useless
For too long
All of us
Are done for
