God bless her lonely soul
She said you'll never ever see
You never let go
Well these days are changing
And everyone knows
Everyone knows what you got to loose

You gotta live a dangerous life
I love it when you're mad
Cos you give me your time
These are the days when you have to try
These are the days

(yeah yeah yeah yeah)
Always say that you don't understand
(yeah yeah yeah yeah)
Maybe it's time to turn around
(yeah yeah yeah yeah)
Me and you we got a master plan
(yeah yeah yeah yeah)
Maybe its time to turn around

I garentee you that this isn't a dream

Cos the times you're awake
You can change what you see
These are the days when you gotta believe
In something that's more than a dream

You gotta live a dangerous life
I love it when you're mad
Cos you give me your time
These are the days when you have to try
These are the days

(yeah yeah yeah yeah)
Always say that you don't understand
(yeah yeah yeah yeah)
Maybe it's time to turn around
(yeah yeah yeah yeah)
Me and you we got a master plan
(yeah yeah yeah yeah)

Maybe its time to turn around

You gotta believe.
