(phillips, club, glib)

Get in your cell  
Don't talk back  
Get in your cell  
Or I'll put you on a rack  
Get in your cell  
Don't talk back  
Get in your cell  
Or I'll put you on a rack

I gotta get out of this mental ward  
The stink in my cell has got me totally floored  
I'm so sick and tired of being ignored  
Yeah my mental ward

Repeat first verse

Chorus

Lead

Chorus

Mental ward  
It's my mental ward  
Mental ward  
It's my mental ward

Chorus
