Nights in white satin, never reaching the end
Letters I've written, never meaning to send
Beauty I'd always missed with these eyes before
And just what the truth is I can't say anymore
'Cause I love you, yes I love you
Oh, how I love you
Gazing at people, some hand in hand
Just what I'm going through, they can't understand
Some try to tell me thoughts they cannot defend
And just what you wanna be you will be in the end
'Cause I love you, yes I love you
Oh, how I love you
Nights in white satin, never reaching the end
Letters I've written, never meaning to send
Beauty I'd always missed with these eyes before
And just what the truth is I can't say anymore
'Cause I love you, yes I love you
Oh, how I love you, oh, how I love you
Yes, I love you, oh, I love you
How I love you
