I can't touch you
The way that I want to
I can't feel you
Enough to satisfy me
I can't hold you
Long enough to stop shaking
You're so far, so far
Away from me
But you're close to my heart
And I'll love you forever
Though we're apart
we are always, (always) together
I can't touch you
The way that I want to
I can't feel you
Enough to satisfy me
I can't hold you
Long enough to stop shaking
You're so far, so far
Away from me
I try not to think about it
But it cuts through the cloud of my life
I guess there ain't nothing I can do about it
Though I'd do anything to make things right
I can't touch you
The way that I want to
I can't feel you
Enough to satisfy me
I can't hold you
Long enough to stop shaking
You're so far, so far
Away from me
But you're close to my heart
And I'll love you forever
Though we're apart
we are always, (always) together
I can't touch you
The way that I want to
I can't feel you
Enough to satisfy me
I can't hold you

Long enough to stop shaking
You're so far, so far
Away from me
