Feed Your sheep a burning lamp  
Feed Your lamb a course on herding  
Feed Your goat to feed the fire  
Goats are fuel for fires burning  
Goats and lambs on either hand  
Lambs on hand for righteous yearning  
Lambs with hands receive the crown  
Royal crown  
Coronate with brilliant gilding  
Emit rhodes in a burned-out building  
"Somebody made for me" is played  
Every time a lamb is crossing  
Bridges laid for oily lamps held by lambs and sheep-  
hands holding  
Tried to cross the castle moat  
But you gave your goat a drowning boat  
Here's how goats turn into lambs: Shepherd's hands  
Then goat's hearts turning
