Oooooohhhhhh

Ooh love you, ooh and I love you, ooh love you, ooh
and I love you.

Ooh love you, ooh and I love you, ooh love you, ooh
and I love you.

Ooh love you I love you, ooh love you I love you.

Ooh love you I love you, ooh love you I love you.

Ooh love you I love you, ooh love you I love you.

Ooh love you I love you, ooh love you I love you.

Ooh love you, ooh and I love you.

Ooh love you I love you, ooh love you I love you.

Ooh love you I love you, ooh love you I love you.

Oooooohhhhhh, love, love, love, love, love you.

Ooh love you I love you, ooh love you I love you.

Ooh love you I love you, ooh love you I love you.
