(ragavoy shuman)

Whats it gonna be?
Please tell me
Is it really me?
Please tell me
Are you out for fun?
Only lovin on the run
And leave me cryin, ahh, cryin

Whats it gonna be?
(tomorrow)
Will he set me free?
(tomorrow)
Gotta know for sure
A broken heart dont have a cure
It just keeps hurting, ahh, hurtin
And when Im hurtin
I cant stop hurtin

I want a love thats here to stay
Baby please
The kind of love that I can count on everyday

Ah, got a hold on me
You know it
Whats it gonna be?
You know it

Want a love thats so
But Ill turn around and go
cause I cant take it
I cant take it
I cant face it
My heart wont make it

I want a love thats here to stay
Baby, believe me
The kind of love that I can count on everyday, mmm

(whats it gonna be?)

Mmm, tell me
(whats it gonna be?)
Baby, tell me
(whats it gonna be?)
Come on, baby
(whats it gonna be?)
Hey, hey, you gotta tell me
Whats it gonna be?
