(Verse)

Don't wish it away,  
Say it's over to my face,  
I face the morning with dreams that take my pillow wet,  
She said she was into me but  
I was always in the way,  
She pushed me away.

(Chorus)

But I will always be near  
I will always be near  
Always be near

(Verse)

I set my clock for 7:30 every day.  
And wait for you like I'm in a book or in a play.  
I'm there outside with a weightlessness you can't  
escape,  
You can't wish me away

(Chorus x2)

Cos I will always be near  
I will always be near  
Always be near

(Chorus)

I will always be near  
I will always be near  
Always be near

(Verse)

Like a sniper in the wings,  
Like the endless chattering,  
Like the rope that twists in your hand and it's starting  
again  
Like a shadow on your lungs,  
Like the verse I've sung,  
Like the knife that twists in your hand and it's starting  
again

(Chorus)

I will always be near  
I will always be near  
Always be near
