With the sunrise burning into your green eyes,
Adam and Eve on faultlines
Greet the golden dawn,

Is it birdsong?
Or is it just the car alarms?
Making us feel so young, naked as the faun

(Pre-Chorus)
Celebrate the pale dawn,
Celebrate the birdsong,
Celebrate, this is your time,
Although we live in the wreckage and on the faultlines

(Chorus)
And everything we owned
Not everything we are,
With every word we breathe
We live, we live again

And you love me
More than I deserve to be,
The palace of cards you built for me
Is all just paper now,

Is it birdsong?
Or is it just the car alarms?
Making me feel so young
Savage like the dawn

(Pre-Chorus)
Celebrate the pale dawn,
Celebrate the birdsong,
Celebrate, this is your time,
Although we live in the wreckage and on the faultlines

(Chorus)
And everything we owned
Not everything we are,
With every word we breathe
We live, we live again

Celebrate,
There is no fear now,
There is no fear now
For us to feel

Celebrate,
There is no fear now,
There is no fear now
For us to feel, for us to feel
