Have you ever been this low?  
The taxis take you where you wanna go  
Broken windows, endless television shows  
I haven't ever been so low

I am the one, I sing the song  
My lights are on but there's nobody home  
So much happening today

A thousand people come and go  
And stay and fade away  
They draw the blinds and watch the show  
Have you ever been so low?

I am the one I sing the song  
My lights are on but there's nobody home  
Nobody home
