(Verse)

You touch the place where we meet
Where you and I become she and he
Iâ€™m not as strong as I pretend to be

(Verse)

You feel the scratches and scars
You feel the possibly we call ours
But drop me once and Iâ€™ll fall to bits

(Chorus x2)

Come on and hit me
With your majesty
Come on and hit me
With all your mystery

La la la la la
La la la la la
La la la la la
La la la la la

(Verse)

I remember when we touched, we are young
You feel my pulse and we become one
But drop me once and I will fall to bits

(Chorus x2)

Come on and hit me
With your majesty
Come on and hit me
With all your mystery

La la la la la
La la la la la
La la la la la
La la la la la

(Chorus x2)

(So) Come on and hit me
With your majesty
Come on and hit me

With all your mystery

La la la la la

La la la la la

La la la la la

La la la la la

La la la la la

La la la la la

La la la la la

La la la la la

La la la la la
