She live in a house, she stupid as a mouse  
And she going where the lights are on  
She shaking obscene like a fucking machine  
And she's gone, gone, gone

She cooking crack, giving us heart attack  
And she living in a kooky show,  
She open your mind for the millionth time  
and then go, go, go

And she got everything she needs  
And she got pretty, pretty feet  
And she got flowers in her hair, yeah, yeah  
She got savoir faire, yeah, yeah

She shaking the scene outside in between  
And she rocking to the looney tunes  
And she make love and swallow a dove  
In her room, room, room

She speeding away through the city today  
And she living in a kooky show  
With show life, low life watching her  
Go and then move, move, move

And she got everything she needs  
(Harmony and ecstasy, yeah, yeah yeah)  
And she got pretty, pretty feet  
(Painted toes and soft, soft soles yeah, yeah, yeah)  
And she got flowers in her hair  
(Daffodils from window seat)

She got savoir faire, yeah, yeah  
She got savoir faire, yeah, yeah

And she got everything she needs  
(Harmony and ecstasy, yeah, yeah yeah)  
And she got pretty, pretty feet  
(Painted toes and soft, soft soles yeah, yeah, yeah)  
And she got flowers in her hair  
(Daffodils from window sits)

She got savoir faire, yeah, yeah  
She got savoir faire, yeah, yeah  
She got savoir faire, yeah, yeah
