(Verse)

All the colors in the rainbow don't compare with
One look in your impossible eyes
And I walked into the trap with my eyes wide shut
But I never knew I took would be like

(Verse)

All the plants were mates in the wounded plates
Where your party was split wide open
And I count to 10
As the race begins
Round your hairpin bends

(Chorus)

Sometimes I feel I'll float away
Sometimes I feel I'll float away
Sometimes I feel I'll float away
Without you to hold me

(Verse)

And I can't count the times I forgot my lines
And you pretended that you didn't know
Let me take you through each stage of the male
mistake
And we'll adopt our natural rounds

(Verse)

And I need you more than you need to beat me dead
So I sign my will one stab at a time
And I count to 10
As the race begins
Round your hairpin bends

(Chorus x2)

Sometimes I feel I'll float away
Sometimes I feel I'll float away
Sometimes I feel I'll float away
Without you to hold me

Away...

Away...

AwayÂ...
AwayÂ...
