Dressed as a cowboy on top of a hill, it's sadder than it probably sounds

He gets lovely the more he's ill, don't O.D. on him now

Dressed as a woman with horrible hair and singing to the birds in town

Who goes walking through traffic out there, don't O.D. on her now

Oh, oh is it true, what they say about you?

Oh, oh, oh, is it true, what they say about you two?

Married to me is a hungry son

Who wants to push me from the second floor

We're so disco we can't get on in this world anymore

Oh, oh is it true, what they say about you?

Oh, oh, oh, is it true, what they say about you two?

Dressed as a cowboy in a permanent gag

It's sadder than it probably sounds

So fucking, what if he's licking the bag, don't O.D. on him now

Oh, oh is it true, what they say about you?

Oh, oh, oh, is it true, what they say about you two?

Oh, oh is it true, what they say about you?

Oh, oh, oh, is it true, what they say about you two?

Oh, oh is it true, what they say about you?

Oh, oh, oh, is it true, what they say about you two?

Oh, oh is it true, what they say about you?

Oh, oh, oh, is it true, what they say about you two?
