A calamitous future-  
warning cries of inhuman terror  
as time elapses  
a period of purification draws near.  
Those who survive  
will endure endless  
dark periods of spaces and time

Visionary - profound

The wounds of all  
have become one

Rise to power  
Ominous games of slaughter  
a future yet to unfold  
Fire and swords  
shall sweep the land  
the end of time  
this unnumbered  
the terrible judge  
will judge his people.  
Indigenous events plague

Indigenous events plague  
first light of wisdom  
the 4th world will end  
and the 5th will begin  
Cataclysmic changes  
will soon be upon us.

Disillusion  
The world will be set on fire  
the great day of purification  
Upheaval  
period of worthy change.
