Violently ripped  
from the arms of my bliss.  
An end to what is,  
life's dismissed.  
My screams, my pain,  
I am no longer sane  
how can this be  
the end of my reign?

What have I done  
to deserve all of this?  
In the blink of an eye  
all things have changed  
and how will I make it through all this?  
This nightmare  
that I cannot wake from.

My dismal dream  
I live and breathe  
I realize  
I cannot leave

Embracing this plane of insane  
mental state  
of strange confusion-  
consumes me whole  
and somehow  
I'm trapped here  
within perceiving no escape  
wretched horror wraps my fate

My dismal dream  
I live and breathe  
I realize I cannot leave

Dismal dream  
impressions of fear  
deception of self,  
am I stuck here?  
Made to see,  
soul stripped from me  
no chance of escape

My dismal dream  
I live and breathe  
I realize  
I cannot leave  
I cannot leave

Sanity Collapses  
in the blink of an eye  
irrational behavior  
manifests from inside

Violently ripped  
from the arms of my bliss.  
An end to what is,  
life's dismissed.  
My screams, my pain,  
I am no longer sane  
how can this be  
the end of my reign?
