Lover, will you look at me now?
I'm already dead to you
But I'm inclined to explain
To you what I could not before

Whatever you didn't do, what you couldn't say
I am sorry that the worst has arrived
For I deserve more
For at least I deserve the respect of a kiss goodbye

Tell me, do you think of me now
As I think of you?
For I could not have shaken
The touch of your breath on my arm

For it has stayed in me as an epithet
I am sorry the worst has arrived
For I'm on the floor
In the room where we made it our last touch of the
night

I walked, cause you walked
But I won't probably get very far
Sensation to what you said
But I'm not about to expect something more

I would not have run off
But I couldn't bear that it's me
It's my fault, I should not be so lost
But I've got nothing left to love

Lover, will you look from me now
I'm already dead but I've come to explain
Why I left such a mess on the floor
For when you went away

I went crazy, I was wild with the breast of a dog
I ran through the night
With the knife in my chest
With the lust of your loveless life

I walked, cause you walked

But I won't probably get very far
Sensation to what you said
But I'm not about to expect something more

I would not have run off
But I couldn't bear that it's me
It's my fault, I should not be so lost
But I've got nothing left to love
I walked 'cause you walked
