I'm not afraid of the black man running  
He's got it right he's got a better life coming  
I don't care what the captain said  
I fold it right at the top of my head  
I lost my sight and the state packs in  
I follow my heart and it leads me right to Jackson

Oh Keller, oh oh oh  
She gave us a medal she gave us a map  
Oh Canner Row, oh oh oh  
If seeing is right, then look where you're at

I'm not afraid of Nichol's Park  
I ride the train and I ride it after dark  
I'm not afraid to get it right  
I turn around and I give it one more try

I said things that I meant to say  
The bandstand chairs and the Dewey Day parade  
I go out to the golden age  
The spirit is right and the spirit doesn't change

Oh Keller, oh oh oh  
She gave us mirror she gave us a map  
Oh Canner Row, oh oh oh  
If seeing is right then look where you're at

Andrew Jackson, all I'm asking  
Show us the wheel and give us the wine  
Woohoo, woohoo  
Raise the banner, Jackson hammer

Everyone goes to the capitol line  
Woohoo, woohoo  
Colored preacher, nice to meet you!  
The spirit is here and the spirit is fine!  
Woohoo, woohoo  
Education, ask the nation

You gave us our sight and the hearing is fine  
Woohoo, woohoo  
Andrew Jackson all I'm asking

Give us the wheel and give us the wine
