Once a great place, now a prison  
All I can say, all I can do  
People mover, bad decision, from suburban, now a  
prison  
All I can say, all I can do

From the trembling walls, it's a great idea  
Everything you want, it's a great idea  
Once a great place, now a prison  
All I can say, all I can do

Henry ford, henry ford  
Public trans, public trans  
Pontiac, Pontiac  
Feed the poor, feed the poor

City hall, city hall  
Windsor Park, Windsor Park  
Saginaw, Saginaw  
After dark, after dark

Tigers game, tigers game  
Eighty-four, eighty-four  
Industry, industry  
Unemployed, unemployed

Gun control, gun control  
Wolverine, Wolverine  
Iroquois, Iroquois  
Industry, industry

Public trans, public trans  
Auto cars, auto cars  
Jefferson, Jefferson  
Michigan, Michigan

From the trembling walls, it's a great idea  
Everything you want, it's a great idea  
(Hesitate to burn the buildings)  
From the Renaissance, it's a great idea  
Everything you want, it's a great idea

Throw them all away, it's a great idea  
From the Renaissance, it's a great idea  
Everything you want  
(Hesitate to burn the buildings)
