

Sufjan Stevens "Seven Swans"

Visit "[Seven Swans](#)" on MotoLyrics.com

We didn't sleep too late
There was a fire in the yard
All of the trees were in light
They had no faces to show

I saw a light in the sky
Seven swans, seven swans, seven swans
I heard a voice in, in my mind
"I will try, I will try, I will try"

We saw the dragon move down
My father burned into coal
My mother saw it from far
She took her purse to the bed

I saw a sign in the sky
Seven horns, seven horns, seven horns.
I heard a voice in my mind
"I am Lord, I am Lord, I am Lord?"

He said, "I am Lord, I am Lord, I am Lord"
He said, "I am Lord, I am Lord, I am Lord"
He will take you, if you run
He will chase you, He is the Lord
