What's the worth of all the work of my hands and the  
worst of on lake Michigan.

Gettin' solid walls with the no it alls, get in trouble,  
we're so mellow.

Gettin' solid walls with the no it alls, get in trouble,  
we're so mellow.

And my good friends with their eyes on what it takes, I  
could kiss them but the breathers makes mistakes.

Gettin' solid walls with the no it alls, get in trouble,  
we're so mellow.

Gettin' solid walls with the no it alls, get in trouble,  
we're so mellow.

Gettin' solid wall and with what it calls, get in trouble,  
we're so mellow.

Gettin' solid walls with the no it alls, get in trouble,  
we're so mellow.
