Once in your life  
You'll have a moment  
You'll have a secret  
To find  
Baby tonight i'm gonna love you  
I'm gonna keep your hopes close to mine  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your...  
Cuz i'm restless for your love tonight, baby  
Your, let me go, hm  
And i'm restless for your touch tonight  
Your, make me your girl  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your g-g-girlfriend, g-g-girl  
Make you my b-b-boyfriend, b-b-boy  
Make you mine...  
Every time i feel you near me  
I wanna kiss you up and down  
Dj tonight, tell me it's alright  
Cuz i wanna dance with somebody  
Take me away of the ground, yeah  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your...  
Cuz i'm restless for your love tonight, baby  
Your, let me go, hm  
And i'm restless for your touch tonight  
Your, make me your girl  
Wanna be your g-g-girlfriend, g-g-girl  
Wanna be your g-g-girlfriend, g-g-girl  
Make you my b-b-boyfriend, b-b-boy  
Make you mine...  
Oh-oh-oh-oh
