by Bob Dylan

Come baby, find me, come baby, remind me of where I  
once begun.

Come baby, show me, show me you know me, tell me  
you're the one.

I could be learning, you could be yearning to see  
behind closed doors.

But I will always be emotionally yours.

Come baby, rock me, come baby, lock me into the  
shadows of your heart.

Come baby, teach me, come baby, reach me, let the  
music start.

I could be dreaming but I keep believing you're the one  
I'm livin' for.

And I will always be emotionally yours.

It's like my whole life never happened,  
When I see you, it's as if I never had a thought.  
I know this dream, it might be crazy,  
But it's the only one I've got.

Come baby, shake me, come baby, take me, I would be  
satisfied.

Come baby, hold me, come baby, help me, my arms  
are open wide.

I could be unraveling wherever I'm traveling, even to  
foreign shores.

But I will always be emotionally yours.
