Early in the mornin'
Early in the mornin'
I'm callin' you to
I'm callin' you to
Please come home
Yes, I guess I could make it without you
If I just didn't feel so all alone

Don't let me down
Don't let me down
I won't let you down
I won't let you down
No I won't
You know I can if you can, honey
But, honey, please don't

I got my black dog barkin'
Black dog barkin'
Yes it is now
Yes it is now
Outside my yard
Yes, I could tell you what he means
If I just didn't have to try so hard

Your mama's workin'
Your mama's moanin'
She's cryin' you know
She's tryin' you know
You better go now
Well, I'd tell you what she wants
But I just don't know how

Fifteen jugglers
Fifteen jugglers
Five believers
Five believers
All dressed like men
Tell yo' mama not to worry because
They're just my friends

Early in the mornin'
Early in the mornin'
I'm callin' you to
I'm callin' you to
Please come home
Yes, I could make it without you If I just did not feel so
all alone
