by Bob Dylan

There was a little boy and there was a little girl
And they lived in an alley under the red sky.
There was a little boy and there was a little girl
And they lived in an alley under the red sky.

There was an old man and he lived in the moon,
One summer's day he came passing by.
There was an old man and he lived in the moon,
And one day he came passing by.

Bridge #1:

Someday little girl, everything for you is gonna be new
Someday little girl you'll have a diamond as big as your
shoe

Let the wind blow low, let the wind blow high.
One day the little boy and the little girl were both baked
in a pie.
Let the wind blow low, let the wind blow high.
One day the little boy and the little girl were both baked
in a pie.

Bridge #2:

This is the key to the kingdom and this is the town
This is the blind horse that leads you around

Let the bird sing, let the bird fly,
One day the man in the moon went home and the river
went dry.
Let the bird sing, let the bird fly,
The man in the moon went home and the river went
dry.
