Well, my shoes, they come from Singapore,  
My flashlight's from Taiwan,  
My tablecloth's from Malaysia,  
My belt buckle's from the Amazon.  
You know, this shirt I wear comes from the Philippines  
And the car I drive is a Chevrolet,  
It was put together down in Argentina  
By a guy makin' thirty cents a day.

Well, it's sundown on the union  
And what's made in the U.S.A.  
Sure was a good idea  
'Til greed got in the way.

Well, this silk dress is from Hong Kong  
And the pearls are from Japan.  
Well, the dog collar's from India  
And the flower pot's from Pakistan.  
All the furniture, it says "Made in Brazil"  
Where a woman, she slaved for sure  
Bringin' home thirty cents a day to a family of twelve,  
You know, that's a lot of money to her.

Well, it's sundown on the union  
And what's made in the U.S.A.  
Sure was a good idea  
'Til greed got in the way.

Well, you know, lots of people complainin' that there is  
no work.  
I say, "Why you say that for  
When nothin' you got is U.S.-made?"  
They don't make nothin' here no more,  
You know, capitalism is above the law.  
It say, "It don't count 'less it sells."  
When it costs too much to build it at home  
You just build it cheaper someplace else.

Well, it's sundown on the union

And what's made in the U.S.A.  
Sure was a good idea  
'Til greed got in the way.

Well, the job that you used to have,  
They gave it to somebody down in El Salvador.  
The unions are big business, friend,  
And they're goin' out like a dinosaur.  
They used to grow food in Kansas  
Now they want to grow it on the moon and eat it raw.  
I can see the day coming when even your home garden  
Is gonna be against the law.

Well, it's sundown on the union  
And what's made in the U.S.A.  
Sure was a good idea  
'Til greed got in the way.

Democracy don't rule the world,  
You'd better get that in your head.  
This world is ruled by violence  
But I guess that's better left unsaid.  
From Broadway to the Milky Way,  
That's a lot of territory indeed  
And a man's gonna do what he has to do  
When he's got a hungry mouth to feed.

Well, it's sundown on the union  
And what's made in the U.S.A. Sure was a good idea 'Til  
greed got in the way.
